Spring 2 Choose a Challenge

I am Snowball the Self-Management cat. I love it when children have the chance to make good choices for themselves and set themselves goals. My Habits of Mind friends have come up with a selection of fun challenges for you to have a go at home this half term. You can do as many as you like, choose which ones you want to do and decide when you want to do them. Have fun!

 Gabo's Curiosity Challenge: Create a Titanic Quiz for the class to answer. Find out lots of facts about the Titanic and turn these facts into questions to challenge the rest of us. 	 Domino's Empathy Challenge: Create a presentation or poster about one of the passengers on the Titanic. Find out lots about them and show what it would have been like on the Titanic for them. 	 Shelley's Resilience Challenge: Design and build a floating Titanic. Think carefully about the materials you could use for different parts. 
 Husky's Collaboration Challenge: Work with friends or family to create a special pop-up book telling the Easter story. It could have flaps or parts that move to help tell the story. 	 Rainbow's Creativity Challenge: Create a picture using as many different materials as possible. Spend time looking out for and collecting pieces/scraps of different materials and then use them to create a wonderful picture (maybe of the Titanic). 	 Flexie's Reflection Challenge: Complete one of the other challenges and then write a short evaluation of the project. Use Flexie's Reflection Mirror to help you do this. 

Extra Challenges based on current topics

Year 2 Topics for this Term

Titanic
North and South Pole
Different materials and their properties
Push and Pull
DT pop up books
Easter -Salvation

Year 2 Books in English

Titanic by Katie Daynes
