

# Romsey Abbey Primary School

## HOME LEARNING —YEAR 1

### Tuesday 21<sup>st</sup> January 2020

Your home learning will be given out on

TUESDAY

You will need to hand your home learning in on

MONDAY

#### **Maths Home Learning**

In our Science lessons we will be learning about animals! For our lessons over the next couple of weeks we will be looking at pets. Please could you bring in a photo or picture of a pet. Along with information about how you look after it, including what it eats, how it exercises and when and where it sleeps. Be prepared to share this with the class!

If you don't have a pet, you could write about someone else's or a pet that you would like.

#### **Reading Homework**

Please make sure you are reading at home every night for 15 minutes. This needs to be recorded in your reading diary, after which, children or parents need to make a comment as to how you got on.

#### **Class Notices**

Later in the term we will be creating a 3D map of Romsey from junk modelling. Please can you send in anything that you think would be useful for making buildings (eg. Boxes, tubes, pots) Thank you.

We are going for a walk around Romsey for our trip this term. Please could you let me know if you could support us and come this us on Wednesday 12<sup>th</sup> February?

Any problems or concerns about the home learning please do not hesitate to contact the admin office at the end of the day or by email at

[adminoffice@romseyabbey.hants.sch.uk](mailto:adminoffice@romseyabbey.hants.sch.uk)

Thank you,  
Mr Langford

**Dear Parents,** please could you monitor the time your child is spending on their homework and share any comments you may have with me by email or speaking to me directly. Thank you for your continued support.
