Our Mission and Aims

At Romsey Abbey Church of England Primary we believe that a world of opportunity lies at our feet. We see our role as a school as instilling in learners the confidence to enable success and relish challenge. We help children, families and staff to learn how to demonstrate love and grow in our ability to forgive each other, to aspire to be the best we can be. We feel it is important to both rejoice in our own success and equally in the success of others.

As a church school, we are shaped around our common values to, “walk in the footsteps of Jesus in love, trust and forgiveness”, and we are committed to shape our whole school life around these values and to make them a reality throughout the life of the school.

Our School Aims are to:

Build a culture and ethos of support and respect, inclusive of language, ethnicity, ability and gender.

Create a healthy, safe environment through relationships, resources and opportunities which are accessible to all.

Provide an outstanding curriculum and learning environment that inspires, achieves the highest standards, creates a spirit of adventure, reflects culture and community and builds confident and independent learners.

Strive to build systems of communication that ensure all members of the school family have opportunities to contribute ideas and knowledge that will be valued.

Purpose of Policy

At Romsey Abbey Church of England Primary School, we want our pupils to be successful, confident learners and responsible citizens. We recognise the importance of both the academic and personal development and well-being of every child in our school. This includes recognising the importance of providing a range of opportunities for our pupils to respond to, that supports their spiritual, moral, social and cultural developments with an understanding and an overview of the Every Child Matters agenda.

Spiritual, Moral, Social and Cultural development (SMSC)

(NB whilst each dimension is outlined separately there is a great deal of overlap between the four areas).

Spiritual development: Spiritual development enables people to look within themselves at their human relationships, at the wider world. The Spiritual development of all our children is addressed through the ethos of the school. As a church aided school we include Christian Spiritual practices including, prayer, worship, celebration of festivals and reading/reflection on the Bible within Collective Worship, RE and the wider curriculum.

We are committed to:

- celebrating the religious and non-religious beliefs and values that our pupils bring as part of their family/culture heritage and to building an awareness of and respect for others' spiritual and religious beliefs
- fostering common human values and building spiritual capacities to promote self-worth
- self-esteem and a valuing of others
- helping our pupils to come to an understanding of themselves as unique individuals and encouraging them to reflect on ultimate questions
- developing our pupils' curiosity, imagination, creativity and promoting a sense of awe and wonder.
- Providing pupils with the opportunity to exercise mindfulness as part of each PSHE lesson through the 'calm me' script.

Moral development

Moral development: knowing what is right and wrong and acting on it accordingly. We are committed to encouraging pupils to:

- be truthful and honest
- respect the rights and property of others, their opinions and customs, even when they are different from our own
- help others
- solve differences of opinion in no-violent ways with mind to our values of Love, Trust and Forgiveness

Social development

Social development: developing an understanding of rights and responsibilities of living in community-of-being a "responsible citizen".

We are committed to:

- fostering the skill and qualities of team building through the development of self-confidence, co-operation, sensitivity to others, reliability, initiative and understanding
- providing an environment where pupils can take responsibility for themselves and others in school and the wider society

The PSHE Jigsaw teaching programme used to support our pupils' social development, along with their spiritual, moral and cultural development.

Cultural development

Cultural development: knowledge and understanding of others' cultural traditions. We value and celebrate the cultural diversity of our school, our society and the world by:

- promoting an appreciation of our own cultural tradition/s and encouraging an appreciation of other peoples' cultural traditions
- celebrating the richness of culture and tradition
- Celebrating diversity in modern Britain through collective worship, the celebrating difference module in the Jigsaw curriculum for PSHE and through special events such as Habit of Mind launch days.

In the light of this we will ensure that the SMSC development of our pupils is promoted across the curriculum and in the wider life of the school by:

- providing an appropriate range of effective teaching and learning strategies that enables pupils to reflect on and respond to the issues of SMSC importance and concern
- maintain a positive climate in school in which all are valued and respected and expected to make a positive contribution
- encouraging teachers to plan for and respond to opportunities to develop SMSC development and to ensure subject leader have an understanding of SMSC education in their subject
- Focusing on and teaching children about our 7 habits of mind as part of everyday teaching and supported through half termly focus days and half termly staff meetings to discuss teaching strategies for helping the children with these habits of mind
- recognising the importance of our collective worship programme in supporting and encouraging SMSC development
- reviewing the effectiveness and impact of our policy and practice as part of our cycle of school development
- regularly monitoring and evaluating the quality of teaching of our Jigsaw PSHE curriculum to ensure all children are being given excellent opportunities for SMSC development.
- Pupil conferencing to explore important issues related to SMSC development including discussion of discrimination and how to stand up to such discrimination.
